A Terminal produced paper receipt or a Subscription purchase receipt produced by the Subscription Service has no pecuniary or prize value and shall not constitute evidence of a Ticket purchase or of numbers selected.
5. Section 2.4, “Ticket Characteristics”, Paragraph D., Clause 4, is amended to read:
4. A ticket purchased from a player activated terminal or through the Subscription Service may not be canceled.

6. Section 2.4, "Ticket Characteristics", is amended by adding a paragraph to read:

H. Tickets may also be purchased via the Subscription Service.

7. A new Section 2.6, "Purchase of Daily 3 through the Subscription Service", to read:

2.6. Purchase of "DAILY 3®" Through the Subscription Service

A. The Subscription Service permits an eligible player to purchase plays for "Daily 3®" for a number of consecutive drawings over a stated period of time from the Lottery's website. To purchase a Subscription Play for "Daily 3®", a player must register on the Lottery's web site at www.mnlotterysubscription.com. In order to register, a player must be at least 18 years of age or older, have a Minnesota mailing address and be a resident of the United States.

B. To register for the Subscription Service, a player must enter the information listed below on the registration page on the Lottery's website, www.mnlotterysubscription.com. The address provided by the player must be within the State of Minnesota.

- 1) First and last name
- 2) Street address
- 3) City and state
- 4) Zip code
- 5) Phone number
- 6) Date of birth
- 7) Last four (4) digits of their social security number
- 8) Email address

C. Once the player has entered his or her personal information, the player will be required to select one (1) of twelve (12) site key images with text identifier and create a unique username and password. After a site key image has been selected and username and password created, the Lottery will send an Account Activation Email to the player. A player will be required to acknowledge receipt of the Account Activation Email in order to complete the Subscription registration. After the player has received and responded to the Subscription Account Activation Email, in order to finalize the Subscription registration, the player must set a weekly spending limit at an amount between \$10.00 and \$50.00 per week. This spending limit may be changed at any time, although, if the spending limit is increased, it will not be effective for 24 hours after the change is made. Weekly limits are defined by Subscription Plays occurring each week, not the full value of the Subscription purchase.

- D. A player may ban themselves from purchasing any Subscription Purchases for a period of one (1) year, two (2) years, three (3) years or permanently by so indicating on the profile page. Once the player enters the appropriate information on the profile page, the player will not be able to purchase any Subscription Plays for the period indicated by the player. The Lottery will not be liable if the player circumvents the system and purchases Subscription Plays despite the exclusionary period entered by the player.
- E. A Subscription Registration may be rejected by the Lottery if the player does not provide all of the information required by this section, the player does not have a mailing address within the State of Minnesota, is not a resident of the United States, is under 18 years of age or the Lottery cannot verify that the person is 18 years of age or older.
- F. To make a Subscription Play to purchase a Ticket for the “Daily 3®” Lotto game, the player must select “Daily 3®” Lotto game, the type of play (Group or individual), the desired numbers or Quick Pick, the amount wagered per draw and the number of weeks of the subscription (between six weeks and one year). Once a purchase of a Subscription Play is completed, the numbers selected for the Subscription Play may not be changed. Before the Subscription Play is processed, the system will confirm that the player is making the purchase from a computer located within the State of Minnesota. Additionally, the player must verify that he/she is within the State of Minnesota.
- G. Once the player has designated all of his/her Subscription Plays, the player will be required to enter certain bank account information including the player’s bank account number and routing number. The player’s bank account must be from a bank located within the State of Minnesota. Purchases of Subscription Plays will only be permitted through the ACH Process. Purchase of Subscription Plays via credit or debit cards is not permitted. Once the purchase of the Subscription Play is completed, the player may not cancel the Subscription Play or change any of the Game Numbers that are a part of that Subscription Play. Any amount paid to the Lottery for a Subscription Play is nonrefundable.
- H. The effective start date for any Subscription Play will be within 48 hours after completion of the purchase. The purchase of a Subscription Play will be denied if the player does not provide all of the required information or if the purchase is being made from a computer not located within the State of Minnesota. If the Subscription Play is accepted by the Lottery, the player will receive a Subscription Purchase Receipt Email from the Lottery. The player should contact the Lottery if he or she does not receive a Subscription Purchase Receipt Email. If a payment attempt is denied by a bank for insufficient funds, the account was closed or for any other reason, the Lottery may charge the player a fee of \$30.00.

- I. A Subscription Play may be suspended by the Lottery if the payment is denied by the bank for insufficient funds or any other reason. Once a Subscription Play has been suspended, individual plays or wagers for that Subscription Play will no longer be placed by the Lottery. If a Subscription Play is suspended, the Lottery may, at its discretion, cancel the remaining wagers or Plays within that Subscription Play or reinstate the wagers or Plays if the player makes full payment of the amount owed, including any fees. If the Subscription Play is reinstated, the Subscription will be extended. During the period of any suspension, no further Subscription Play purchases will be allowed from that player.
 - J. The Lottery may terminate subsequent plays included in a Subscription Play if the “Daily 3®” Lotto game is changed so as to make the Subscription Play ineffective. In such event, the player may elect to receive a refund of the value of the remaining “Daily 3®” Lotto game plays to the player or apply the value of the remaining plays to the player’s Wallet.
 - K. The Lottery will make every attempt to ensure transactions are processed. If there are system problems, neither the Lottery nor its vendors will be liable for the failure of an individual Subscription Play being processed. In such an instance, the Subscription will be extended.
 - L. Subscription Plays may not be transferred to another player.
 - M. To purchase Subscription Plays for a Group, the Group Manager must indicate the number of persons in the Group and list the name (first and last) of each member of the Group. The Group Manager must verify that each Group member is 18 years of age or older. Once a Group Subscription is purchased, the Group Manager may not change or delete members of the Group. A Group Manager is responsible for disbursing any funds in the Group Manager’s Wallet to Group members.
8. Section 3.3, “Procedure for Claiming a Prize”, is amended by adding the following paragraphs to read:
- C. Prizes from a “Daily 3®” Lotto game Ticket purchased through the Subscription Service less than \$600.00 will be paid to the person who had submitted the Subscription Play and had registered with the Subscription Service. The player will be notified by email and the amount won will be listed in the player’s Subscription Wallet. A player may elect to receive cash for the balance remaining in the player’s Wallet by so indicating on the Wallet page on the Subscription website. Once the election has been made, the player will receive a Wallet Check Request Confirmation Email and the Lottery will issue a check to the player for the total amount in the player’s Wallet. A player may apply some or all of the funds in his/her wallet toward the purchase of future Subscription Plays. Money in a player’s Wallet will not earn any interest. If there is no activity in a player’s Subscription account for a period of three (3) years and there is a balance in the player’s Wallet, the

Lottery will notify the player regarding the player's balance. If there is no response from the player within thirty (30) days of such notification, the amount in the player's Wallet will be treated as unclaimed property under Minnesota law. The Lottery reserves the right to collect from a player's Wallet any amount owed to the Lottery due to nonpayment for a Subscription Play purchased by the player.

D. To claim a prize of six hundred dollars (\$600.00) or more from a "Daily 3®" Lotto game Ticket purchased through the Subscription Service, the player must, fill out a Subscription Claim Form, and mail it to the Minnesota State Lottery, P.O. Box 131000, Roseville, MN 55113. If the claim is validated by the Lottery, the check in the appropriate amount will be forwarded to the player less any applicable federal and state withholding tax and debt owed under Minnesota Statutes 270A.03. In the event that the claim is not validated by the Lottery, the claim shall be denied and the player shall be notified promptly.

9. Section 4.0, "Ticket Responsibility", is amended by adding a paragraph to read:

E. When a Subscription Play is validly and properly registered with the Lottery, the person who has registered the Subscription Play shall be the owner of the Ticket and shall be entitled to any prize attributable thereto.

10. Section 4.1, "Ticket Validation Requirements", Paragraph A, "Valid Tickets", is amended by adding a clause to read:

11. A Ticket produced through the Subscription Service must meet all of the Lottery's confidential security checks.

11. Section 5.0, "Ticket Ownership", is amended to read:

5.0 Ticket Ownership

A. Until such time as a Subscription Play is properly and validly registered with the Lottery, or until such time as a signature is placed upon the back portion of a Ticket in the space designated therefor, a Ticket shall be owned by the physical possessor of said Ticket or, for a Ticket purchased through the Subscription Service, the person who submitted the Subscription Play. When a Subscription Play is validly and properly registered with the Lottery, or when a signature is placed on the back of the Ticket in the space designated therefor, the player who has registered the Ticket for a Ticket purchased through the Subscription Service or whose signature appears in that area shall be the owner of the Ticket and shall be entitled to any prize attributable thereto.

B. The Lottery shall not be responsible for lost or stolen game tickets

C. For Tickets purchased by a Group through the Subscription Service, the Director will make payment to each person listed in the Group Subscription Play, so long as the prize being claimed is more than \$599.00. If the prize from a Group Subscription Play is less than \$600.00, the prize will be listed in the Group Manager's Wallet.

11. Section 6.0, "Governing Law", is amended to read:

6.0. Governing Law

In purchasing a Ticket, the player agrees to comply with, and abide by, these procedures for "DAILY 3®"; Minnesota Statutes, Chapter 349A (the State Lottery Law); the Lottery's Prize Payment Rules; MUSL rules; MUSL Powerball Product Group rules and all final decisions of the Director. In addition, if a Ticket is purchased through the Subscription Service, the player agrees to comply with and abide by the terms of service for the Subscription Service.
